Serve with Middle School Ministries

You can help pass on your faith to the next generation by serving with our students. Whether you want to help lead or co-lead a small group, design content for our social media pages, help encourage other parents, host games on stage for our students, or something else, let us know. We can't do anything without our team of volunteers! Indicate interest at constancefree.org/volunteer and we will reach out to you.

Rooted Launch

Our church is launching Rooted starting September 12. This 10-week experience will involve learning about rhythms of Christian living to help you grow as a follower of Jesus.
